Fleisher Art Memorial's mission is to make art accessible to everyone, regardless of economic means, background, or artistic experience.

Project Goals:

- Identification of historically significant documents and methods for digitization
- Collaboration with Bryn Mawr's Archivist and Metadata Librarian for cataloging and digitization strategies
- Applying social justice lens by focusing on accessibility
- Creation of a preservation plan for a 116-year-old Scrapbook created by Samuel S. Fleisher, the founder of Fleisher Art Memorial

Reflection:

- The importance of making historical documents more accessible through digital archiving and inclusive to everyone, regardless of their abilities or background
- Significance of fostering creative spaces that are welcoming to everyone
